**ESBC OPEN SPACES MEETING**

The chairman advised councillors that the meeting was very positive. ESBC are very keen to work with the parish council. ESBC confirmed that they would visit Eton Park to review the trees. ESBC supported the parish council in consulting local residents on the fun day to establish what additional equipment they would like to see introduced on the play area. It was agreed that Carver Road Community Park would be the pilot park with a view to the other parks being reviewed at a later date, all subject to funding.

Cllr C Keen stated that one of the pieces of equipment which is very popular is the basket swing.

It was RESOLVED that equipment examples be explored. There was also a concern that there was a lack of benches.

Cllr Florence Jukes felt that the adult exercise equipment be explored for St Lukes play area when that play area was considered.

It was noted that whatever equipment was proposed, ESBC as the land lord would need to approve it.

**CLLR CRAIG JONES  
CHAIRMAN – HORNINGLOW AND ETON PARISH  
COUNCIL**

**Cllr D Florence-Jukes – Report****Horninglow and Eton Parish Council Meeting – 10<sup>th</sup> July 2018**

1. Reported that following on from the meeting of the 12 June when the problem of fly tipping was discussed. As promised, I emailed Sal Khan to enquire if the BC would be willing to work collaboratively with the PC to tackle the issue. I reported a meeting had be set up for 19 July with the five Borough Councillors of Horninglow and Eton and Council staff to discuss the matter. An update will follow at the September meeting with the outcome.
2. Reported speaking with Mark Ritz, Head of Open Spaces, to ascertain that in the event of the PC purchasing new equipment for the parks who would be liable for its maintenance. Mark Ritz stated a conversation would need to be had as it would be impractical for equipment to be maintained by two different parties. In any event the BC would need to authorise the suitability of any new equipment from a safety and maintenance perspective.
3. Reported that the missing Longmead Road sign I had requested be replaced is now in situ.
4. Reported that I had requested that missing or damaged litter bins be replaced at Harper Avenue JW St Johns Road, Balfour Street - opposite Horninglow Primary School and the top end of Rowton Street. Paul Farrer has these on order.
5. Reported that I had enquired with the Open Spaces Team regarding the flower beds at the Horninglow basin as they had not been planted up at time of the last meeting. Owing to that area not participating in the 'In Bloom' competition, it is last on the list but they will be planted up imminently.
6. Reported that I had assisted the Clerk to the PC with a successful grant application from the BC of £500 towards the purchase of the WW1 memorial bench and litter bin for the Horninglow Green to commemorate the centenary of the end of WW1. The remaining balance of £1169.50 to be funded by the PC.
7. Reported that the fire damaged play equipment on Carver Road Community Park has now been replaced.
8. Reported that I am attempting to ascertain the air quality levels for Horninglow as a comparison to the other wards within the Borough. I hope to report back at the next meeting.
